April 13-14, 2011

**Cities and businesses partnering
for a better Florida.**

Mayors Mean Business • April 13-14, 2011 • Tallahassee

What is Mayors Mean Business?

Mayors Mean Business is an initiative sponsored by the Florida League of Mayors designed to highlight the important role of cities in economic development and jobs creation.

Why should you participate?

Cities are an essential part of the equation to restore and maintain the economic vitality of this great state.

Mayors Mean Business is a collaborative effort between mayors and business leaders from their communities to communicate the importance of business growth and investment at the local level.

Mayors from around the state, along with a local business leader, will visit the state capitol delivering this message and will meet with state leadership to develop a stronger partnership and to foster economic growth in our cities and the state.

Mayors Can:

- Identify and confirm one of your area's local business leaders to join you in Tallahassee.
- Schedule appointments with your local legislators before coming to Tallahassee.
- Confirm attendance of Mayors Mean Business Activities (see enclosed form).
